

1.1

Forward Pass (Epoch 1)Sample 1:

$$\hat{y}_1 = (0) \times (1) + (0) \times (1) + 0 = 0$$

Sample 2:

$$\hat{y}_2 = (0 \times 2) + (0 \times 1) + 0 = 0$$

for epoch 1 $\rightarrow$

$$\boxed{w_1, w_2 \& b = 0}$$

Q 1.1

Forward Pass (Epoch 1)

Sample 1 :

$$\hat{y}_1 = (0) \times (1) + (0) \times (1) + 0 = 0$$

Sample 2 : $\rightarrow \hat{y}_2 = (0 \times 2) + (0 \times 1) + 0 \Rightarrow 0$

As for epoch 1 $\rightarrow \boxed{w_1, w_2 \& b \Rightarrow 0}$
